

Welcome to the joint exhibition stands of the Federal Republic of Germany!

The foreign trade fair programme of the Federal Republic of Germany enables you to participate in **wire, Tube, METEC India 2024** at attractive conditions!

Your advantages at a glance:

- Reduced participation fee for system stand and stand area
- Attractive placement of joint exhibition stands in the hall near to the entrance
- Higher level of attention due to the uniform framework design “Made in Germany“
- Free listing, presentation of your company (main exhibitor) and visitor advertising in the run up to the event through the website www.german-pavilion.com
- Addressing visitors and giving advice at the information stand, sending interested visitors to German exhibitors
- Service all in one place: Organizational and technical handling as well as supervision by Messe Düsseldorf GmbH with contact person in Germany
- Support by the staff of Messe Düsseldorf on site
- Use of the official information stand with its infrastructure (Internet access, lounge with catering)
