

Online-registration and application German Pavilion

Registration/accreditation is required beforehand at:

<https://registration.german-pavilion.com/>

This step is only necessary once and is valid for all future trade fair participations. The following is requested during registration (these items were also asked for on the old application form):

- vat ID.-No.
- related German company

only German Companies need furthermore:

- court of registry
- Commercial register no.
- tax no.
- commercial register excerpt (pdf-upload)

After the registration has been approved (approx. 1-2 days), you could start with the online application.
